

I Don't Have To Search To Find You

Eagle Brook Music

I don't have to search to find You
You are not hidden
I don't have to search to find You
You are not distant

I don't have to fight for Your attention
You don't need perfection
I don't have to search to find You

I don't have to search to find You
You're close when I'm broken
I don't have to search to find You
Your heart is wide open

I don't have to fight for Your attention
You don't need perfection
I don't have to search to find You

Thank you Jesus
For setting me free
In my darkest
Lowest time of need
All because of the cross
I'm known and I'm loved
I don't have to search to find You

Thank you Jesus
For setting me free
In my darkest
Lowest time of need
All because of the cross
I'm known and I'm loved
I don't have to search to find You
I don't have to search to find You

I don't have to search to find You
You are consistent
I don't have to search to find You
You love without limits

I don't have to fight for Your attention
You don't need perfection
I don't have to search to find You
