

RIGHT HERE WITH ME

Chris, KB, Ang, MAS

VERSE 1

Letting go of all of my worries
Giving up on all my fears
I have always known that you love me love me

VERSE 2

Grabbing hold of all of my courage
Where I find my strength in You
I have always known that you're for me for me, yeah

CHORUS

I know you're never far
Cause You chase my heart
I know You're always right here with me
I know You'll keep me close
And never let me go
I know You're always right here with me

VERSE 3

Calling me out onto the water
I am stepping out in faith
I have always known that You're faithful faithful faithful

CHORUS

I know you're never far
Cause You chase my heart
I know You're always right here with me
I know You'll keep me close
And never let me go
I know You're always right here with me

BRIDGE

I know You're always right here with me
I know Your love is here to stay
Wherever You call me I will follow
I will be walking on the waves

BRIDGE

I know You're always right here with me
I know Your love is here to stay
Wherever You call me I will follow
I will be walking on the waves

CHORUS

I know you're never far
Cause You chase my heart
I know You're always right here with me
I know You'll keep me close
And never let me go
I know You're always right here with me
