

THIS

Mads, Angi, MAS Em

VERSE 1

The questions plague my mind
I've asked a million times
The answer I can't find
My hope is running dry

VERSE 2

My doubt is running wild
Things I can't reconcile
No hope for miles and miles and miles

CHORUS

But this
This is what I know
I'd rather live with hope than a life that's all alone
It's hard to miss
You're in the midst
Your presence is the comfort in the middle of the mess

VERSE 3

The fear can paralyze
It's hard to sleep at night
I want to quit the fight

CHORUS

But this
This is what I know
I'd rather live with hope than a life that's all alone
It's hard to miss
You're in the midst
Your presence is the comfort in the middle of the mess

CHORUS

But this
This is what I know
I'd rather live with hope than a life that's all alone
It's hard to miss
You're in the midst

Your presence is the comfort in the middle of the mess

BRIDGE

Louder than my questions
Bigger than my fear
I speak the Name of Jesus
Speak the Name

Stronger than my worries
Greater than my doubts
I speak the Name of Jesus
Speak the Name

BRIDGE

Louder than my questions
Bigger than my fear
I speak the Name of Jesus
Speak the Name

Stronger than my worries
Greater than my doubts
I speak the Name of Jesus
Speak the Name

TAG

I speak the Name of Jesus
Speak the Name
I speak the Name of Jesus
Speak the Name

CHORUS

But this
This is what I know
I'd rather live with hope than a life that's all alone
It's hard to miss
You're in the midst
Your presence is the comfort in the middle of the mess
